Directions

By Train - Guildford railway station is the nearest stop and the hospital is less than a 10 minutes taxi ride away.

By Car - From London or the M25 leave the A3 at the exit marked Guildford - Hospitals and Cathedral. At the roundabout take the 4th exit which takes you underneath the elevated A3. At the next roundabout take the 3rd exit. At the next exit take the 2nd exit up Gill Avenue, past The Royal Surrey County Hospital on your right. At the next roundabout turn right on to Occam Road. The Surrey Technology Centre will be on your right hand side. Continue along Occam Road for 50 metres where you should take the next right into Huxley Road.

The Surrey Cardiovascular Clinics are located at numbers 2 & 5.

From the South (Hindhead/Portsmouth) leave the A3 at the Tesco's roundabout and take the 2nd exit marked Guildford/Hospitals.
